The school's vision and values in relation to attendance	Full attendance, and good habits of punctuality and participation, are important for the overall development of our students to which our school community aspires as set out in our mission statement.
The school's high expectations around attendance	<p>Attendance is crucial to effective learning and around attendance the continuity of learning experiences the school places great emphasis on regular attendance in communications with parents and students. The Board of Management wishes to promote and encourage regular attendance as an essential factor in our students learning.</p> <p>We expect children to have full attendance at school unless they are ill, incapacitated or have medical appointments. We understand that there may also be urgent family reasons why a child cannot attend school, especially in the case of bereavements.</p>
How attendance will be monitored	<p>Each class teacher records attendance daily on VSWARE and attendance is monitored centrally on VSWARE. The Principal and Deputy Principal regularly review attendance figures. Notes are requested from parents explaining why their child was absent from school. A letter informing parents that their child has been absent from school in excess of 9 days is sent by the Pastoral Care Team and then in excess of 15 days is sent by the Assistant Principal (Attendance Monitor) . If a student is absent on 20 occasions a letter is sent by the Deputy Principal. Pupils who have been absent from school on 20 occasions are reported to TUSLA and parents. Parents are contacted by phone when pupils do not return to school as expected. There is an Assistant Principal who monitors attendance along with the HSCL.</p>

The school will contact parents/guardians in the event of pupils being consistently late. The Principal is obliged under The Education Welfare Act (2000), to report children who are persistently late, to the Education Welfare Board. Guidance for Parents Section [(21) (9)] of the Act states that: “a pupil’s absence can only be authorised by the Principal when the child is involved in activities organised by the school or in which the school is involved”. The school principal cannot authorise a child’s absence for holidays during school time. However, it is essential that parents inform the school of such arrangements. Reasons for pupils’ absences must be communicated in writing, by parents/guardians to the school and will be retained by the school. To facilitate this, such communications should not be in the homework diary, but on a separate page or sheet of paper. If a child is absent, when the child returns to school s/he should give/send a written note to the class tutor which contains the child’s name, the dates of absence and the reason for the absence.
