

A thuismitheoirí,

Beidh Coláiste Pobail Acla ag tabhairt isteach Gaeilge T1 don scoilbhliain 2020/2021 ar aghaidh, chomh maith le sin beidh muid ag leanúint ar aghaidh le OSSP freisin. Múinfear na hábhair seo trí mheán na Gaeilge amháin agus tá sé roghnach. Tosóidh sé seo nuair a bheidh do mhac nó d'iníon sa chéad bhliain.

Na buntáistí a bhaineann le staidéar a dhéanamh trí mheán na Gaeilge ná:

- Beidh níos mó muiníne ag daltaí maidir leis an teanga a labhairt agus a scríobh.
- Leathnófar a stór focal.
- Beidh tuiscint níos fearr acu ar ghramadach, struchtúr abairtí agus foirmiú focal.
- Beidh buntaiste ag daltaí don tsraith shinsearach.
- Cabhróidh sé lena gcumarsáid agus cabhróidh sé le caidrimh a cothú le daltaí ó scoileanna eile.
- Cabhraíonn sé leo teangacha eile a fhoghlaim.
- Níl na daltaí ag foghlaim na teanga ón tús agus mar sin beidh na scileanna seo inaistrithe chuig ábhair eile.

Líon isteach an suirbhé thíos agus seol arais chuig an scoil é le do thoil.

Dear Parent/Guardian

Coláiste Pobail Acla is within the Achill Gaeltacht we have an opportunity as a school to continue Gaeilge T1 in the school year 2021/2022 which we started last year, for our first year students through the Gaeltacht recognition scheme. Gaeilge T1 is in general a follow on for students who have been taught in an all Irish primary school. I would encourage all students to select Gaeilge T1 but it is completely optional. In my view it broadens the base of the language for Leaving Certificate. We will be continuing with CSPE through Irish which began last year. These subjects will be taught through the medium of Irish and will be optional. It will start when your son/daughter is in first year and carry through their Junior Cycle.

The advantages of studying through the Medium of Irish are:

- Students will have more confidence with reading and writing the language.
- Their vocabulary will broaden.
- They will have a better understanding of grammar, sentence structure and word formation.
- Students will have an advantage for Senior Cycle.
- It will help their communication and build relationships with students from other schools.
- It will help them learn other languages.
- Students will not be learning the subject from the beginning and these skills will be transferable to other subjects.

Please fill in the survey below and send it back to the school before 01/04/20.
