

Dear Parents/Guardians,

We're delighted to introduce the new **Coláiste Pobail Acla iClass School App**, our main platform for school news and communication. This initiative supports our goal of **reducing costs** and **becoming a greener, more sustainable school** by cutting down on printed materials.

Please **download "iClassCMS"** from your app store, **install it**, and **register your student(s)** using our school's **verification code** which has accompanied this message.

If more than one parent downloads the app both parents must register the student(s) and **enable notifications** to receive updates.
